**Description of Property and Justification: (Please attach map and photo)**

Camp Chesapeake was a YMCA camp that operated from 1919 through 1975. Originally, the camp consisted of bunk houses, an assembly room, a headquarters building, a fishing shack, an infirmary and a boat house. Aside from the boat house, all that currently remains is a few concrete block buildings/structures and the chimney of the old headquarters building. Due to their extreme state of disrepair and severely compromised integrity, these buildings/structures do not appear to be eligible under Criterion C. Likewise, no historically significant events or persons appear to be directly associated with the camp so eligibility under Criteria A & B also do not seem likely.
